SUMMARY

Commercial and strategy professional with experience across OTC pharmaceutical distribution and digital healthcare in India. Currently runs commercial strategy and daily operations for an OTC pharmaceutical marketing and distribution business in North India, where annual turnover has quadrupled from INR 5M to INR 20M through wider territory coverage and an expanded product range. Previously in the Tata 1mg Founders' Office, covering quick-commerce strategy, unit economics and three-city retail expansion. Strengths in market expansion, channel and distributor management, vendor negotiation and pricing.

CORE SKILLS

Market expansion, go-to-market strategy, business development, channel and distributor management, vendor negotiation, pricing strategy, revenue growth, unit economics, KPI and performance tracking, supply chain coordination, product portfolio management, digital commerce, stakeholder management

PROFESSIONAL EXPERIENCE

Lifomed Healthcare Private Limited

2025–Present

Assistant Director, Uttar Pradesh, India

Family-owned OTC pharmaceutical marketing and distribution business, 8 employees, operating across North India

- Report to the Managing Director and run commercial strategy and daily operations, with responsibility for market expansion, product positioning and portfolio development.
- Quadrupled annual turnover from INR 5M to INR 20M by widening territory coverage and extending the product range.
- Lead the field sales force and build the doctor, chemist and distributor network that drives retail off-take across the region.
- Negotiate sourcing, packaging, labelling, pricing and supply terms with contract manufacturers to keep the full portfolio available across the network.
- Conduct field visits and customer discovery to test demand, capture trade feedback and prioritise the next products and territories to launch.

Tata 1mg

12/2023–05/2025

Executive Assistant, Founders' Office, India

Digital healthcare and e-pharmacy platform, Tata Group

- Acted as execution partner to the co-founders across executive communications, decision meetings, performance reviews and cross-functional follow-through.
- Tracked performance and unit economics across quick-commerce strategy workstreams targeting revenue optimisation.
- Supported retail expansion into Jaipur, Gurugram and Noida; the new sites reached INR 1.3M in monthly revenue within two months of launch.
- Partnered with MIT interns under the Tata Globe Internship Programme on innovation, operational scalability and digital-transformation projects.

EDUCATION

Guru Gobind Singh Indraprastha University

2020–2023

Bachelor of Business Administration, Delhi, India
